2.2 Any advice or recommendation given by the Company or its employees or agents to the Customer as to the storage, application or use of the Goods is given in good faith as a guide for test purposes only and is followed or acted upon entirely at the Customer's own risk.

## **3 Orders and Specifications**

3.1 The Customer shall be responsible for ensuring the accuracy of its order.

3.3 The Company will supply a copy of the manufacturer's specification for the Goods (if any) to the Customer on request.

3.4 The Company reserves the right to supply Goods subject to changes in their description and/or specification which do not materially affect their quality or performance.

## **4 Price of the Goods**

4.1 The price of the Goods shall be the price specified on the Company's current price list at the date of the Customer's order or such other price as may be agreed.

4.2 All prices are exclusive of any applicable value added tax which is payable in addition.

## **5 Terms of Payment**

5.1 The Company may invoice the Customer on or at any time after the collection or delivery of the Goods.

5.2 The price of the Goods shall be paid on or before delivery unless the Customer has a credit facility in which case the Customer shall pay the price of the Goods by the end of the month following the month shown in the date of the Company's invoice unless otherwise agreed.

5.3 If the Customer fails to make any payment on the due date the Company shall be entitled to:

5.4.1 cancel any outstanding orders;
