CROMPTON LAMPS LED SMART LIGHTING RANGE

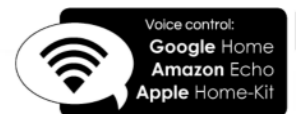

Smart Wireless Lighting Compatible with Smart Devices and Home Hubs

- App and voice control
- Wireless connectivity
- Colour changing technology and smart dimmable
- Available in GLS, Candle, GU10 and Flexi-strip

Easy Set-Up and No Extra Hub Required

Pair Smart Lights directly to your smart device without the need of an external hub or bridge. No external hub means no extra hardware costs, no unnecessary wires and no extra installation steps, simplifying and speeding up the set-up process.

Android or Apple smart device required for set-up using Tuya Smart App. Tuya Smart App and wifi 2.4GHz 802.11b/g/n required for set-up.
